

SABATACHA CRIANZA

DESCRIPTION

Red oak-aged wine made from 100% Monastrell grapes.

WINEMAKING PROCESS

Sabatacha Crianza is made exclusively from Monastrell grapes, carefully hand-harvested from traditional vines to ensure optimum quality. After harvest, the grapes are placed in stainless steel tanks where maceration takes place for approximately 14 days. Gentle pump-overs are performed during this period to enhance structure and extraction, while keeping the temperature strictly controlled, never exceeding 28 °C. Fermentation occurs at a temperature between 20 °C and 22 °C to preserve the varietal character. Once the wine has naturally stabilized, it is aged for six months in 220-liter barrels made of American oak. This barrel aging contributes to the wine's complexity and balance. Finally, the wine is bottled, achieving a harmonious integration of fruit expression and oak influence.

TASTING NOTES

Deep cherry red in color, with hues reminiscent of black prune. On the nose, it displays intense aromas of ripe dark fruits typical of the Monastrell variety, elegantly complemented by spicy and toasted notes from the oak aging. On the palate, it offers a smooth entry with a sweet sensation, full body, polished tannins, and a flavorful, persistent finish.

GOURMET NOTES

Ideal with all types of meat dishes, including grilled and roasted meats, meat stews, and cured pork products. Also pairs beautifully with paellas, hard cheeses, and richly flavored vegetables.
